This show will combine two circus traditions—acrobatic performance and the art of clowning!

March 25
The First Emperor: China's Terracotta Army at the HIGH Museum

Walk through the largest grouping ever to be loaned by China, including 23 life-size figurines.

Each year the YMCA brings together **volunteers that believe in the mission of the YMCA** to go out and tell the "Y" story to people in the community. Telling these stories helps to raise money for the YMCA's Annual Support Campaign for financial assistance. This assistance is given to families in Hart, Franklin and Elbert Counties in need of the life changing experiences provided through ministries at the YMCA.

This year's Share the Spirit Campaign is set to kickoff on **January 22** with a volunteer banquet. Make sure this year you get involved in Share the Spirit and Share your Love for the Y...you never know who it might help!
